**ALLEGRO**

Allegro literally translates to 'mirthful'. It also sums up our rustic joy of enjoying the finest culinary experiences from the Mediterranean region.

Allegro Olive Oil comes from our own farms in the Mediterranean region and has a unique distinction of being a single origin Extra Virgin Olive Oil. It goes through an old world farming methodology where it is produced from the finest selection of handpicked olives and is delivered in a tinted glass bottle so that Extra Virgin Olive Oil does not come in contact with the sunlight and its nutritive properties remain intact.

Utmost care is taken at every stage from farm to your dining table so that with Allegro, you seek an enabler for the best culinary experiences from the Mediterranean Cuisine.
