FILTERED
Groundnut Oil

Rich taste has many factors that contribute to it- freshness of ingredients, their quality, the flavour they withhold and their inherent aroma. The expeller technique of extracting oils preserves essentials in Sunny Groundnut oil and leaves it with a wonderful nutty taste.

Sunny Groundnut Oil is filtered out from the best quality of groundnuts. Add to this, the goodness of fatty acids (SFA, MUFA & PUFA) in balanced proportions which gives your family a delicious and healthy meal.

A Perfect Balance of Health, Taste & Flavour
