

RADHUNI[®]
GOLD

Radhuni Gold is a high quality Refined Imported Palmolein that is clearly a class apart. Radhuni Gold goes through refining, deodorization and bleaching in our world class refining facility, followed by a 3 step filtration using Swedish filters to give you pure oil with neutral taste and odour. The impeccable quality of Radhuni Gold makes it ideal for fried foods and is cholesterol-free and contains no trans fatty acids.
